

DUDLEY ROAD HOSPITAL NETBALL CLUB ADMISSION POLICY

All players are welcome to trial at the club and will be invited to join as a member once they have completed 2 successful trial sessions. If the coach is happy with the child's conduct and level of play at the two trials, they will be invited to join the club **ONLY** if there is space available. When the club is at maximum capacity - Parent's should contact the Chair (diane.thomas@acorns.org.uk or cordeliabailey2@gmail.com) and ask to be put on a waiting list.

When spaces become available, parents will be contacted and the child will be invited to attend a group taster trial session, with a view to joining. Coaches will assess children at this trial and make a decision about who will be invited to join the club. The club will not trial any individuals when it is at maximum capacity. This is to safeguard current members from any risk of injury.

Dudley Road Hospital Admission Policy can be viewed on the club notice board, along with all our codes of conduct and other official documentation.
